COMMUNITY GARDEN IN HIBERNATION - After a season of growth and plenty, the garden is replenishing. It may be a few weeks before we can harvest from the plants that were recently planted. Thanks to all who have made the garden a success, especially Jack and Joyce Schipper.

WALK TO END ALZHEIMER'S VIRTUAL WALK –The FPC Friends of

Michael has almost reached its goal of \$3,000 for this year's Walk to a Cure for the Alzheimer's Association. Thanks to the efforts of Dan Mulkey and others, we continue to do our part to help in the struggle. This year has been a challenge because of the ever-present pandemic. Thanks to those who have helped

DO WE HAVE YOUR CELL PHONE NUMBER? --Over

time we have found that many members have switched from a landline used by a household to personal cell phones, and many of you have provided your cell phone numbers to us. Because of COVID-19 and the Courtyard services we expect to become

the “new normal”, we would like to be able to notify you directly if there are any changes for services and emails are not always efficient. We would like to send text messages, which we know will be delivered and read more timely than email. To accommodate us, would you mind sending via email your cell phone number? If you prefer to not receive text messages, please let us know that also. Email Roger in the office at fpcp@petalumafirst.com.
