

Friends & Family,

It is that time of year again! In memory of my mother, Dorothy (Dotty) Mulkey, who suffered from this terrible disease, I have been leading the First Presbyterian Church of Petaluma team, **FPC Friends of Michael, for several years. This team was formed after Cretia's husband, Michael, started suffering the devastating effects of this disease. Now that Michael is with our Lord, we continue to keep participating and to keep our friend, Michael Horn, in our memories.**

FPC Friends of Michael Team

This year's walk is Saturday, October 8, 2022, at the Green Music Center at Sonoma State University, 1801 East Cotati Ave, Rohnert Park, CA. Please join our team, raise money, and donate to help the Alzheimer's Association advance research into methods of treatment, prevention and, ultimately, a cure for Alzheimer's.
