

Summer Friendship and Mission Project Gathering!

June 13, 2026

10:30 am - Fireside Room

All women of FPCP are invited to gather on Saturday, June 13 for a friendship and mission project gathering in the Fireside Room, beginning at 10:30 a.m. through lunch time.

Lets get to know each other better and deepen friendships. Don't want to craft? Then come and fellowship with the crafters. Bring your lunch and let's spend some time together.

Our mission project is creating fleece scarves to stock the Petaluma S.A.F.E Team vans. The SAFE (Specialized Assistance for Everyone) team, managed by the Petaluma People Services Center (PPSC) and the City of Petaluma, provides 24/7 mobile crisis response for mental health, substance abuse, and homelessness. The team acts as an alternative to or alongside police and fire responders. S.A.F.E. Teams will carry the scarves to give to clients who might benefit from a warm fuzzy scarf. Like maybe an unhoused person on a chilly summer night. The long fleece scarves do not require sewing or any crafting experience. All materials will be provided.

Please meet us in the Fireside Room at 10:30. Bring a bag lunch and a drink if you're able to stay through lunch.

We look forward to good fellowship, some laughs, and getting to know each other better. We hope to see you on June 13!
